POLICIES

SAFETY

Your safety is our main concern. Before each rental, our trained personnel will ensure that you are renting the proper piece of equipment to complete your job safely. We will also review the safe operating procedures for the equipment you are renting. All Operator's/ Safety Manuals will be provided to you for the specific piece of equipment that you will be renting.

MAINTENANCE

All of our equipment has been tested by our trained servicemen and is given to you in excellent, working condition and is re-examined upon return of the equipment.

WEAR & TEAR / DAMAGE

All equipment is subject to some normal wear and tear. You, as the customer, are responsible for any damage done to the equipment. Additional fees will be added to equipment that is returned damaged.

RENTAL RATES

All rental rates listed herein and on our website www.gen-rent.com are based on time out, not time used. Rental rates are subject to change without notice.

WEEKEND RENTALS

Select items can be rented any time Friday or Saturday and can be returned Monday before 9:00 AM for our special weekend rate. Items returned later than 9:00 AM will be subject to additional charges.

METERED EQUIPMENT

Metered equipment may be subject to runtime limitations.

AVAILABILITY

We can typically accommodate your equipment needs when they occur. Making a reservation is always a good idea, but not always necessary.

PAYMENT TERMS & DEPOSITS

A deposit will be due at the time of pickup or when your equipment is delivered. Deposits can be secured with cash, MasterCard, Visa, American Express, or Discover. Deposits will be returned to you upon the return of the equipment in clean, good working order.

DELIVERY & PICKUP

Delivery and pickup is available for all equipment. Delivery and pickup rates will be quoted upon request. Delivery and pickup rates are subject to change without notice.

FUEL

All equipment that requires gasoline, kerosene, or diesel fuel is rented with a full tank. There will be a fuel charge added to all equipment that is not returned full of fuel.
